Uni Muffin

AvroKO Hospitality Group debuted [The Poni Room](#) on Tuesday. The New York City concept, a “cozy seafood and rosé-centric American izakaya,” according to AvroKO, rounds out the group’s trio of equine-inspired venues, which includes Saxon and Parole and Ghost Donkey. This small plate from chefs [Brad Farmerie](#) and [Nicole Gajadhar](#) embraces the creamy texture and umami flavor of sea urchin. It’s a toasted English muffin topped with uni, chives and lemon.
